cliffb, my issue was the same. I have figured out (or guessed) that apparently Kia changed to the FET motor control midway through 2007, but it seems all parts lists everywhere only call out the resistor for a 2007 replacement part; you have to look for a 2008 replacement part, which is the part you came up with. How to fold down the back seats - do i have to remove the hub in order to remove and replace the new lugg on the right front tire? 1 Answer just need to know if i have to remove the hub in order to replace broken luggs?
