Find 2009 GMC Sierra 1500 recalls information, reported by the NHTSA, and we will help you find a nearby service center where you can get your car fixed. Although recently embattled by financial difficulties, General Motors has still managed to build and maintain a reputation through the years for creating good quality vehicles at affordable prices, and has been behind several of the more popular automobiles available worldwide. GMC Sierra trucks are basically the twins of Chevy Silverados, pretty much only differing in the details of their appearance (tail light configuration, grille, etc.). Consequently, they tend to have the same problems. One of these, particularly in models (from both makers) manufactured between 2003* and 2006, is failure of the speedometer and other meters and gauges in the trucks' instrument ...I downloaded the manual but it will not open. I use Okular pdf reader and I tried Adobe Reader. Any idea what my problem is?
