

Download 2010 Vue All Models Service And Repair Manual

"Service All Wheel Drive" message came on this morning in my 2009 Saturn Vue. After I shut the vehicle off and turned it back on, it wasn't there. Is this a scheduled maintenance message (mileage is 128,000), possibly due to cold weather (-4 degrees this morning), or something else? Couldn't find anything in the manual, and I am on the road. Inoperative All-Wheel Drive May 1, 2010 On some 2008-2010 Enclave; 2007-2010 Equinox, Acadia; 2007-2009 Torrent, OUTLOOK; 2008-2009 VUE; 2010 Terrain; and 2009-2010 Traverse models equipped with All-Wheel Drive, the All-Wheel Drive System may become inoperative with a Service All-Wheel Drive (Service AWD) light On.
