

Download 2015 Nhtsa Manual Field Sobriety

Washington State Patrol Breath Test Program - The Web Based Discovery Materials Site (WebDMS) provides instant access to records of breath test results, instrument maintenance, policies, procedures and manuals of the Washington State Patrol Breath Test Section. Cancellation by the Customer prior to 7 days of the start of the training course will receive a full refund, less a \$50 administrative fee. All other customer cancellations will be non-refundable but will be credited to a future training course. As a defense attorney and DUI practitioner, I get asked a lot of questions by my clients, friends, and fellow attorneys. But no question is more common than, "should I refuse the breathalyzer and/or the field sobriety tests (FSTs)?" Drunk driving is the act of operating a motor vehicle with the operator's ability to do so impaired as a result of alcohol consumption, or with a blood alcohol level in excess of the legal limit. For drivers 21 years or older, driving with a blood alcohol concentration (BAC) of 0.08% or higher is illegal. For drivers under 21 years old, the legal limit is lower, with state limits ranging from ...
