I just burned out 2 starters on my 08 Vector. One of them was 10 seconds old .I just installed it in the sled and tried starting it to find the newest starter had 10 seconds of starting time and then sh*t the bed.2009 yamaha fx nytro mtX. the engine is in good used condition and runs great. removed from a sled with 3,766 miles. nampa, id 83651. 1310 w karcher rd.Here is your meal ticket. My (theCATman) setup for Apex & Vector. Many satisfied TY customers over the years. This is for LTX or 121" also. This is the same setup I use on my '06 Apex GT (121") save for the ability to adjust the shock electrically vs manually.KIA Optima 2006-2010 Factory Service Repair Manual Download NO SHIPPING COST, FREE DOWNLOAD!!!
