

# Download Aci Field Technician Grade 1 Manual

ACI offers certification programs designed to form a minimum qualification for personnel employed within the construction industry. Click on one of the program titles below for more information.**PERFORMANCE MODULES CHECKLISTS.** NOTE: Starting January 2011 the combination of ACI Aggregate Base Testing Technician, ACI Aggregate Testing Technician Level 1 and ACI Aggregate Testing Technician Level 2 will be accepted in lieu of NAQTC testing for the NAQTC Aggregate Module for the condition that all ACI certifications are obtained within one year prior to the NAQTC performance testing. Reservations must be made via phone and cannot be made online, via email or by fax. To make reservations, contact Kathy Willenborg, with Lake Land College IDOT Quality Management at (217) 234-5285 and reserve the number of seats you need in each class.
