

Download Akai Dc Vocoder Manual

Akai. The DC VOCODER is a high quality 50-band vocoder that offers outstanding intelligibility. The top panel allows you to set the levels for the incoming signals and the overall output level. The FORMANT control allows you to 'gender-bend' the output - higher settings sound more feminine; lower settings sound more masculine. Installing the Akai Vocoder plug-in was a quick and easy process. I had no compatibility issues with my configuration, and overall the installation process went smoothly. The interface of the Akai Vocoder is pretty easy to follow, even though there are a ton of options within the software. You have ...akai dc vocoder free download - Akai D.C.
