Petition Project - Global Warming Petition Project. Letter from Frederick Seitz . Research Review of Global Warming Evidence. Enclosed is a twelve-page review of information on the subject of "global warming," a petition in the form of a reply card, and a return envelope. Emotional intelligence (EI) is a set of abilities that pertain to emotions and emotional information. EI has attracted considerable attention among organizational scholars, and research has clarified the definition of EI and illuminated its role in organizations. Here, I define EI and describe the abilities that constitute it. I evaluate two approaches to measuring EI: the performance-based ... Creativity is a phenomenon whereby something new and somehow valuable is formed. The created item may be intangible (such as an idea, a scientific theory, a musical composition, or a joke) or a physical object (such as an invention, a literary work, or a painting).. Scholarly interest in creativity is found in a number of disciplines, primarily psychology, business studies, and cognitive ...
