

# **Download Biosimilars And Interchangeable Biologics Strategic Elements Volume 1**

Abstract: Biosimilars are highly similar versions of reference biological products, some with the potential to be deemed 'interchangeable' by regulatory bodies, such as the US Food and Drug Administration. Biosimilar patent litigation continues to evolve as biosimilars enter new global markets. This manuscript takes aIMS Health and Quintiles are now IQVIA. We are committed to providing solutions that enable healthcare companies to innovate with confidence, maximize opportunities and, ultimately, drive healthcare forward. We do this via breakthroughs in insights, technology, analytics and human intelligence that bring the advances in data science together with the possibilities of human science.
