

Download Clinical Handbook Of Couple Therapy Fourth Edition

The Clinical Handbook of Couple Therapy effectively meets that challenge by providing a well-written, comprehensive, and thorough discussion of major theoretical approaches to conducting effective psychotherapy with couples. While my emphasis for students is on being well grounded in theory, I appreciate the clinical case examples throughout the book that further explicate the theories discussed. Clinical Handbook of Couple Therapy Fifth Edition Book Summary : Regarded as the authoritative reference and text, this handbook presents the most effective, widely studied approaches to couple therapy. The distinguished coeditors bring together other leading experts, most of whom developed the approaches they describe.
