Pythagoras of Samos (c. 570 – c. 495 BC) was an ancient Ionian Greek philosopher and the eponymous founder of Pythagoreanism. His political and religious teachings were well known in Magna Graecia and influenced the philosophies of Plato, Aristotle, and, through them, Western philosophy. Knowledge of his life is clouded by legend, but he appears to have been the son of Mnesarchus, a seal ... Aristotle (/ ˈ æ r ɪ s t ɔ t ɪ /; Greek: Ἀριστοτέλης, pronounced [aristotélɪs]; 384–322 BC) was a philosopher during the Classical period in Ancient Greece, the founder of the Lyceum and the Peripatetic school of philosophy and Aristotelian tradition. Along with his teacher Plato, he is considered the "Father of Western Philosophy". Colloque International "L'Évangile selon Thomas et les textes de Nag Hammadi. Traditions et convergences", Laval, 29-31 May 2003 Tito Orlandi Nag Hammadi Texts and the Coptic Literature The study of the so-called Nag Hammadi (= NH) codices has always been directed, from one side, to each individual text,¹ and from the other, to the general significance of the collection for our ... In antiquity, doctors and philosophers identified the physical body as the space in which life was located and originated. They used the word psychê or 'soul' to refer to the force in spring, organising and energising the body. It was the soul that
