

# Download Ecology Guide And Review Answers

Ecology Unit Exam Review Guide ANSWERS 1. How is a niche related to a habitat? How are they different? A niche describes a living thing's role or job in their habitat and includes everything about the organism like where they live and what it is like there; their habitat is only the physical area where they live. 2. Ecology review questions to study ecosystem, biomes, food chain, biogeochemical cycles, biodiversity, ecological interactions, environmental issues, ecological succession and population ecology.
