

Download Financial Management For Local Government

GovSense is a true-cloud financial management software solution focused exclusively on the needs of local government jurisdictions. By creating seamless interdepartmental collaboration, GovSense paves the way for greater transparency, fluid communication and in the end, happier citizens because processes are quick and painless. Management control is a critical dimension of local financial management that ensures its efficiency and integrity. Accounting for local government is not only an approach of record-keeping and external reporting but also the key function of management control (Steiss and Nwagwu 2001). Although the statutory and regulatory basis of accounting ...Financial Management in a Local Government Association (LGA) VNG International P.O.
