

Download Good Sons Dont Just Happen Insights On Raising Boys From A Mother Of 10 Sons

Standing up and applauding you..My 3 kids are over the age of 25. I was that mean Mom..not letting my kids do somethings because of safety..they were mad then but now they look back and have forgiven..Raising kids is demanding and hard work, but I promise you that it is all worth it when you have very amazing adults who are giving, loving, compassionate people.Look guys can i just tell it from the Womans perspective, i myself have bi-polar got diagonised a year ago and i am on medication and trying to live the "correct way" but i am finding myself looking for more exciting things and can totally understand what these woman in your lives crave...it horriable you do love and care for peoploe but this thrill ov excitment is somthing that cant be ...I just wanted to say thank you!! My son is 1 1/2, and since the day he was born I've had horrific dreams. Through your words and other mothers stories I've come to realize why i could be having the dreams.This reminds me of when my daughter was young and my sister and her bf came over. my daughter got out of the tub and came to my sister in a towel and said she talks, my sis says who talks, my daughter points to her VJJ and says it sings wanna hear? well this is to much for not answering yes, so she starts singing Vagina won't you blow Vagina won't you blow your horn.
