Before operating the mower, read the owner's manual carefully. Your Greenfield has been designed to meet stringent safety standards - but we remind you that a mower is a cutting device - used incorrectly, it may cause personal injury or death. Remove the key from the machine when not in use. Do not allow children or any person unfamiliar with the

Very easy fix! Using the mower deck raise/lower lever, lower the mower deck to "down" position. Now, lay on your side along the right side of the mower and look up (use a flashlight) under the mower at the top of the mower deck while moving the blade engagement lever "up" (which pushes the connected rod down).
