by Talal Asad. I. I have used the term “tradition” in my writings in two ways: first, as a theoretical location for raising questions about authority, time, language use, and embodiment; and second, as an empirical arrangement in which discursivity and materiality are connected through the minutiae of everyday living. The discursive aspect of tradition is primarily a matter of linguistic .../r/Politics is for news and discussion about U.S. politics. Articles must deal explicitly with US politics. See our on-topic statement here. Decisions are the heart of success and at times there are critical moments when they can be difficult, perplexing and nerve racking. This side provides useful and practical guidance for making efficient and effective decisions in both public and private life. This post has been updated in light of Donald Trump's comments Monday on banning all Muslim immigrants.. Political rhetoric is a term that has come up a lot this year — certainly a little more ...
