Hyundai released the Korean version of the Accent (RB series) on November 2010. The new model is offered with the same 1.6 liter engine and 6-speed automatic or 6-speed manual as the fifth-generation (MD) Elantra. My has been having battery problems for a while sometimes it goes not completely dead, but theres not enough juice to start it. It did that a few times and I took it to the hyundai dealer and they said to drive it around more to charge up the battery.
