Factory Service Centers. Important: JVC The JVC Factory Service Center accepts only Professional/Broadcast and Simulation Projector products for repair. Home Theater projectors are serviced at our Authorized Service Center (see link at bottom of page to register service for Home Theater models). VICTOR STUDIO MONITOR HEADPHONES Please refers to Chinese version Back to Top Yes, I was a little hesitant. However, there is a "Visit our consumer sites" highlight next to the logo which brings up the AVRs. Pressing the product registration highlight anywhere on the site brings you back to the page that I linked. The GY-HM150U is JVC's latest and most advanced compact handheld camcorder. Based on the solid ergonomic design of the highly popular GY-HM100--currently in use by thousands of photojournalists at major television stations and networks around the world--we've upgraded the camera's features and performance without changing the attributes that made its predecessor so successful.
