What is my Hyster forklift's serial number? The easiest method to find the serial number of a Hyster forklift is to check the name plate (sometimes called a forklift data tag or info plate). This metal plate provides key information that you'll need about your forklift. A forklift (also called lift truck, jitney, fork truck, fork hoist, and forklift truck) is a powered industrial truck used to lift and move materials over short distances. The forklift was developed in the early 20th century by various companies, including Clark, which made transmissions, and Yale & Towne Manufacturing, which made hoists. Since World War II, the use and development of the ...
