Knowing Hands: The Cognitive Psychology of Manual Control - Kindle edition by David A. Rosenbaum. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Knowing Hands: The Cognitive Psychology of Manual Control. Knowing Hands: The Cognitive Psychology of Manual Control, uncovers the hidden knowledge that hands express. Organized around key topics in this emerging area, including the role of the will in manual control, illusions concerning hand position sense, and the coordination of manual actions with others, Knowing Hands? Whenever you get dressed, carry objects, write, draw, or gesture, you express knowledge about how to get things done with your hands. Ironically, that knowledge is often difficult to express. Typically you can't say what you know. Still, it would be enormously useful to identify the knowledge underl...
