View and Download Mercury 2004 Monterey owner's manual online. 2004 Monterey Automobile pdf manual download. Capri (later Mercury Capri) is a nameplate marketed by the Lincoln-Mercury division of Ford Motor Company on three distinct series of automobiles between 1970 and 1994. From 1970 to 1978, the Capri was a sport compact marketed without any Ford divisional branding, sourced as a captive import from Ford of Europe. From 1979 to 1986, the Capri became part of the Mercury model line as a pony car. Mercury Cyclone is an automobile that was marketed by the Mercury division of Ford from 1964 to 1971. Introduced in 1964 as the Mercury Comet Cyclone, the Cyclone replaced the S-22 as the performance-oriented version of the Mercury Comet model line. The Cyclone became a distinct nameplate for the 1968 model year, as the Mercury Montego was phased in to replace the Comet.
