

# Download Microsoft Access Manuals

If you've already done this and you're having trouble displaying the guide in your browser, try this instead: Right-click the Download Quick Start Guide button above, and then click Save target as (on some browsers, this is called Save link as). Save the PDF file to your desktop and then open it in your PDF reader. Open Microsoft Access by clicking: Start Button All Programs Microsoft Office Microsoft Access 2. Click the Office Button followed by New to open the Blank Database pane on the right-hand side in the window. 3. Enter a meaningful File Name: for the database. For example Kites [ would make sense as this is the Microsoft Store (students) and Microsoft Home Use Programme (staff). Starting Microsoft Access If you are using an IT Services machine, login as usual by entering your username and password. Then, to start up the program: 1. Open the Windows Start button and choose All Programs 2. Select Microsoft Office 2013 then Access 2013 Change the screen size or close a database. Click the Access icon to resize or move the screen or to close the database. You can quickly add or change controls on a form or report by clicking the tools icon when the form or report is open in Design or Layout view.
