The course's engaging video lessons, self-assessments and supplemental resources can help students, teachers and casual learners. Create An Account. My Side of the Mountain Summary & Study Guide Description. "My Side of the Mountain" is a young adult novel by Jean Craighead George, which follows a year spent in the wild by New Yorker, Sam Gibley. When the novel begins, Sam has just made it through his first snowstorm successfully, and he recounts all the time that led up to it. My Side of the Mountain Discussion Guide. Jean Craighead George doesn't talk down to her young readers! She often makes literary allusions, which -- if they're clarified through discussion -- add to students' understanding of the story. Discussion and activity guide for the harrowing survival story Use this printable when teaching the book My Side of the Mountain by Jean Craighead George. This literature guide includes pre-reading activities, discussion questions, mapping activities, math and science challenges, and more.
