The way I did it with guitar was I would practice it until I had it down okay but not perfect, move on and then come back to it later. I found that if I worked on something more challenging and then came back to those earlier lessons, I had generally made huge strides. I started learning piano a few months ago. I share here piano tutorials and easy piano songs for beginners who want to learn piano without boring lessons. I kept only the essential, just what you need to learn piano and to play easy piano songs quickly.
