E49703-03. January 2015. This guide describes how to quickly install the Oracle Database product on Windows x64 systems. Fusion Applications 11.1.6 installation is not straightforward unlike E-Business Suite 11i/R12 installation. So we need to divide the installation into following main steps. Please note that we have changed the default order since we are going to host both RCU in one database which is fine since both have different schemas. New to Oracle Community?
