The first humans are believed to have inhabited South Africa more than 100,000 years ago. The historical record of this ethnically diverse country is generally divided into five distinct periods: the pre-colonial era, the colonial era, the post-colonial and apartheid eras, and the post-apartheid era. Johannesburg (/ dʒ oʊ h æ n s b ɜːr /; Afrikaans: [jʰʌnʰsbœr]; also known as Jozi, Jo'burg, and eGoli) is the largest city in South Africa and one of the 50 largest urban areas in the world. It is the provincial capital and largest city of Gauteng, which is the wealthiest province in South Africa. While Johannesburg is not one of South Africa's three capital cities, it ...pattern. First, the acquisition of large tracts of land by white settlers for commercial agriculture, until shortly after World War II resulted in a situation in which half the land was owned by well under 1 percent of the population, with limited access to land for the vast majority of the rural population.
