

Download Public Health And Social Services An Elementary Textbook For Nurses

Public Health Nursing is an essential resource for all health visiting students, school nursing students, and occupational health nursing students, that reflects the current key changes in community public health nursing. It is a key textbook for specialist practitioner programmes, and those new to the public health arena. This new edition of a bestselling, evidence-based textbook provides a comprehensive overview of psychiatric and mental health nursing. Keeping service users and their recovery at the centre of care, the holistic approach will help nurses to gain the tools and understanding required to work in this... Paperback – 2017-03-20 Routledge
