

Download Ricoh Admin Manual Pdf Password

edit: As /u/ratbuddy was able to point me to through some super sleuthing, the password was listed on an insert with all the manuals. In my defense, at first glance it looks like just a page of legalese. Anyway, if anybody else ever ends up needing the password for this security.pdf file, the password is adminmfp.1.1 SafeCom Go Ricoh. SafeCom Go Ricoh is the internal solution for Ricoh MFPs. It integrates with the touch-screen control panel of the Ricoh MFP and offers user authentication by code and/or card. The Ricoh MFPs are also supported when sold under the Gestetner, Lanier, Nashuatec, Rex-Rotary and Savin brands.

How to Read the Manuals Symbols Used in the Manuals

This manual uses the following symbols: Indicates points to pay attention to when using the machine, and explanations of likely causes of paper misfeeds, damage to originals, or loss of data. Be sure to read these explanations.

User's Guide

Read this manual carefully before you use this machine and keep it handy for future reference. For safe and correct use, be sure to read the Important Information in this manual before using the machine.
