Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Straight Pepper Diet: A Memoir. Pepperdine Law grad and former attorney, Joseph W. Naus, is the author of Straight Pepper Diet, a harrowing and sometimes hilarious memoir about surviving the aftermath of sex and alcohol addiction. Straight Pepper Diet is a fascinating and sobering memoir. A formerly successful California trial attorney by day and drunken sex addict by night, Naus narrates effectively (I recommend the Audible version) with a slightly nasally twinge.
