Shop manual shifters from Hurst, Steeda, Long Shifters, B&M, Ford Racing Performance Parts, and more. Summit Racing has a huge in-stock selection for popular manual transmissions. The T659 has the versatility and power to operate in applications ranging from general freight to logging, mining or livestock haulage, on or off the highway in single or multiple trailer configurations. Kenworth's tradition of classic styling continues with the T909 and is versatile enough to operate in almost any application from logging to livestock, especially where fuel capacity and front axle weight is critical. Powering the Kenworth T680 are the high quality and reliability of the PACCAR MX engines. The 12.9-liter PACCAR MX-13 engine is designed to meet the demands of linehaul heavy-duty truck applications — delivering the increased horsepower and torque needed to move large payloads with ease, even on steep grades.
