

Download Team Member Core Skills Manual Costa Coffee

Experience a semester of sustainability in Costa Rica, home to rainforests, volcanoes, rushing waterfalls, and a laid-back culture that reflects the national motto: “Pura Vida.” Explore the country’s many diverse parks, farms, and reserves to learn how Costa Ricans have balanced conservation and development issues. Wrap up the semester in the field, collecting data for your research project. Business Support Executive/ Single Customer View- Product Owner. Leeds City Centre.
