What's up fellas. Anyone here have experience programming keys for the 2011 tundra? I want to buy a blank chipped key, have it cut a Home Depot, and then program it myself instead of paying the \$70 at the dealer for a spare. Exclusive 2001-07 Toyota Sequoia Review from Consumer Guide Auto. Includes yearly updates, specifications, road test ratings and trouble spots. I've been digging around this thread and other threads like it - wanted to share some feedback incase it helps a future person. I found a number of threads with good info, but none included that you CANNOT get your truck into programming mode with the grey "valet" key.
